

France

" Le parachute te porte, les ailes du grand Saint Michel te supportent, l'étoile te guide. Les lauriers te rappellent la gloire des Anciens, la couronne de chêne, la force qui caractérise les parachutistes. Mais la mort te guette et elle est représentée par le noir entre les suspentes "

« The parachute holds you, the wings of the great St Michael sustains you, the star guides you. The laurels reminds you of the glory of the ancients, the crown, the power that characterize the paratroopers. But death lurks and is represented by the black shades between the parachute lines”
